School Pool - A reminder for all pool key holders to please ensure that the cover is replaced after use, this includes the cover for the small pool. Covering helps keep both pools clean from dust and leaves, and helps keep the heat in. Thank you to our pool volunteers for their hard work keeping the pool running smoothly!

Meet Our Leaders.....Georgiana and Jessica

Hello, my name is Georgiana and I am proud to say that I am school leader for 2020. Some of my aims for this year is to encourage younger students to try new things, even if is out of their comfort zone. Another goal is to support the Arts, both visual and performing. I have always loved both painting and singing, and continuing that at Wakanui School would be wonderful. My third aim is to support the new environmental system, including the Bokashi bin, the decrease of rubbish at school and rehabilitating the garden to make it look nice again. I am looking forward to this year greatly because there are lots of different opportunities to show that I am a good leader.
Ka kite koe i a koe katoa (see you all soon).

Hi I am Jessica. I am happy to say that I am one of the head students for 2020. I have been at Wakanui School since I was 5 years old, I really like being at Wakanui and I am looking forward to being a school leader during my last year here at school. One of the things that I would like to see happen this year is I would like to see more people putting their hand up for school sports activities. I would like to see people go and help the enviro group with all their activities. I would like to help Mrs Kennard with all of the environment things that she is doing at school. I am looking forward to working with Georgiana.

School Picnic

Thank you to all those that were able to come along to our school picnic last Wednesday evening.
