## News from Wakanui School

### KAURI

We have introduced play-based learning to our two junior classes this term. The children in Kauri and Kowhai have thoroughly enjoyed this new part of their week. They have many options to choose from including craft, carpentry, painting, playdough, polydrons and even a messy table. The children are having so much fun that they don't even know they are learning!

This term at school our topic has been on plastic. We have learnt that plastic affects our world a lot. We started to look at the 3 Rs; reduce, reuse and recycle. There are many things we should do to help out our world. We started to think about how we grew out of a lot of our clothes and then they would just get thrown away. So, with the help of our parents, we created reusable bags out of clothes we no longer wore.

*All Welcome!*

These clever bakers busied themselves in the kitchen at school on Tuesday morning with Mrs Clement, baking for Bake My Day - an initiative to support the elders in our community. They made brownie, afghans and fudge - turned out to be a bit of a chocolate theme! The girls had lots of fun but best of all, commented that it felt good to be doing something for someone else.
