News from Wakanui School

Kanuka

Only 4 weeks to go before the end of an amazing year!

This term has included some excellent athletics results and participation, hard work in the classroom and a Big Day Out full of fun and laughter. Our Big Day Out took place at Mount Hutt Retreat. We enjoyed our activities on the Low Ropes course, Top team activities and an awesome water slide full of plenty of dishwashing liquid. Fun was had by all but also some excellent resilience shown to give things a try even if it was a challenge. We were very lucky with the weather, as hail and thunder struck back at school, the day stayed fine for us to allow each group to get through each activity. Final assemblies, prizegiving and general end of year feelings are starting to happen. Summer holidays are just around the corner ☺

Below are some photos from our Big Day Out.

IMPORTANT DATES

SUNSMART FACT

Summer fun in the sun

UV rays cannot be seen or felt. You can still get sunburnt on a cooler or cloudy day from now until the beginning of April. SLIP on a top with sleeves. SLOP on some sunscreen. SLAP on a hat. And WRAP on your sunglasses. Have a fantastic and safe holiday!

Wakanui School Parent Support need your help!

Salads - Green or Pasta?

Can you help? We still need school families to help provide a few more salads for an upcoming fundraising event. Please see Penny to say which you can provide. Many thanks to those that have already offered.

Xmas Raffle

Each year Parent Support put together a Xmas raffle to have for sale at both the last assembly and prizegiving. Could each family please provide a non-perishable item. Please drop items at the school office before Monday, December 9th.

Front Gate

Although thoughtful, please do not prop open the front gate at drop off/pick up times, the road is too busy with large and fast-moving vehicles and our students are too precious. All students know to wait inside for an adult to come in to collect them in the afternoons.

It's nearly swimming time!

For the pool to be open this season, we require a person or persons to assist with the Pool Caretaker role. This will involve some general upkeep of the pool area and the pool itself. Please see Penny or Rebekah if you are interested and for more details.
