News from Wakanui

Kanuka

We have had an awesome term so far here in Kanuka.

We have shown our school values to visitors coming into our school with Cricket, Sport, Kiwi Can, Swimming, Netball and Golf.

Resilience was especially shown by all in our school Duathlon earlier in the term!

In class, we have been using our wide range of adjectives to make our stories more exciting, using our addition and subtraction skills to work out new equations and reading some interesting stories about a Washing Machine with feelings, a Vampire Bat who is running out of food and now a Baby Hoatzin bird.

Here are some photos of us taking part in Netball and working hard in class.

IMPORTANT DATES

- 26 March – BOT – 6.30pm
- 4 April – Zone Swimming
- 4 April – Whole School Assembly
- 10 April – LARS Y 7/8
- 12 April – Effort Cards
- 12 April – Last Day of Term 1
- 29 April - First Day of Term 2

Spare Uniform

If your child has had to borrow any school items or uniform, it would be appreciated if they could please be returned to school promptly in case they are needed again.

Clouds don't stop UV

Up to 80% of UV radiation can still get through on a cloudy day.

To the Wider Wakanui Community,

The impact of last Friday's event in Christchurch has been felt by us all. The fact that we are not immune to such tragedy is difficult to come to terms with. Across the country communities are coming together, taking stock, and uniting in our belief that no one should feel unsafe in our country. Some of our students are aware of the events and as such may have also spoken about this with you at home. If you think that your children, or indeed yourselves, require support in dealing with this, please contact your child's teacher or myself.

You may be aware that a Give A Little page has been set up to support families who have lost loved ones. If you would like to donate to this fund, you can do so at this following link <https://givealittle.co.nz/cause/christchurch-shooting-victims-fund>.

Ngā mihi,
Rebekah Clement

Scooters - Children require helmets if they are bringing their scooters to school. Please can parents make sure that these helmets are fitted to your child - we have some sitting at interesting angles on the head! Scooters are only to be ridden by those whom they belong to.

School Values Code - This has been Flexibuzzed out today. It is also available on the SchoolDocs school policies website.

Appointments - Please can appointments for students be made outside of school hours where possible.

Fun at Golf and in the Pool!
