## News from Wakanui School

### "Where in the world is Carmen Aotearoa?"

I had a great time at the production. The parents laughed and laughed. I had a partner it was Anna and we wore Hollywood outfits. Everyone had a great time. The teachers had a great time planning it. Thank you to the parents for helping the children. Rylan.

I was a sheep in the production. It was hard to say my lines in front of everyone. But most of all I had fun and the parents laughed so I think all the parents enjoyed it! Lucy.

My favorite part of Where in the world is Carmen Aotearoa was the sheep being chased by Tip who was Liam. Tomas

On production day we were all very excited about the production. We all stood behind the stage as the curtains opened and the music began. We waved our flags in time with the music. Amelia

The hard part of the production was knowing when to go on stage, but I figured it out! I practiced my line lots until I knew it! Hazel
