

Strategic Plan 2024 - 2026

Our Purpose

Provide all students with broad learning experiences and opportunities in a safe environment, to develop individual strengths and talents, so they keep learning, are respectful of others and contribute positively to society.

Our Vision

Safe & inclusive

Connecting

The current NZ Curriculum is taught so that all students acquire learning skills and are able to develop their individual strengths and talents.

- ⚡ Increased achievement, using Teacher professional OTJ's (backed with assessment)
- ⚡ Te Tiriti o Waitangi and te ao Māori are reflected in the school's curriculum.
- ⚡ The Aotearoa NZ history curriculum is refreshed and delivered.
- ⚡ Excursions and trips for students are used to broaden their perspectives and learning experiences.
- ⚡ Students are supported to safely explore a variety of views, societal trends, and issues.
- ⚡ Students learn financial literacy through practical experiences at School.
- ⚡ Students are prepared for the role of emerging technologies such as Artificial intelligence (AI).

The school's teaching and learning approach is responsive to the individual needs of students and emerging social changes and issues

- ⚡ Teaching staff confidently identify and adapt their teaching to meet a broad range of learning needs.
- ⚡ Professional development for teaching staff supports them to respond to emerging social trends and behaviours.
- ⚡ Teacher Aides are funded to support teaching staff with students who have high learning needs.
- ⚡ Staff access specialist agencies for additional support.
- ⚡ Staff seek advice and support from the local Kāhui Ako e.g. teaching students with high needs, options for relief staff.

The community is involved and supportive of the teaching and learning at the school.

- ⚡ Whānau understand and are supportive of the teaching approach used in the school.
- ⚡ Whānau collaborate with the school to identify learning and behaviour strategies for their children.
- ⚡ Whānau are regularly updated and understand their children's learning and progress.
- ⚡ The school shares student information with other local schools where this will improve learning.
- ⚡ The school roll is maintained at a level that preserves the school's unique and rural character;
- ⚡ There is community support for shared property projects e.g. swimming pool, turf, community transport.
